## CAVAN & MONAGHAN ETB - ESOL Courses

English for Speakers of Other Languages (ESOL) is the provision of English language courses for learners whose first language is not English. All ESOL courses aim to develop the learners core language skills in the areas of Listening, Speaking, Reading, Writing and Grammatical Accuracy. The ESOL service provides 6 hours tuition per week to people who do not have English as their first language.

The content of courses will depend on your level, but the main focus of all of our ESOL programmes is to provide learners with the language skills required to be active citizens in a wide range of everyday social, work related and cultural situations.

Registration takes place on a monthly basis, at a number of venues across County Monaghan.
