ESOL (English for Speakers of Other Languages)

Registration and Assessment

English for Speakers of Other Languages (ESOL) is the provision of English language courses for learners whose first language is not English. All ESOL courses aim to develop the learner's core language skills in the areas of Listening, Speaking, Reading, Writing and Grammatical Accuracy.

At registration, learners are required to complete a short application form with basic personal details before undertaking a short assessment, which determines their existing level of English. Based on this assessment, learners are allocated to an appropriate level.

All courses are free of charge. Priority will be given to learners who are unemployed and/or have limited education/English language skills. You must have a PPS number.
